### PROTOKOL K OPRAVE CHYBY V KATASTRÁLNO M OPERÁTE

Okresný úrad Turčianske Teplice, katastrálny odbor (ďalej len „OÚ TR, KO“) v zmysle ustanovenia § 59 ods. 2 písmena a) v spojení s ods. 5 písmeno b) zákona NR SR č. 162/1995 Z. z. o katastri nehnuteľností a o zápise vlastníckych a iných práv k nehnuteľnostiam (katastrálny zákon) v platnom znení (ďalej len „katastrálny zákon“), vykonáva opravu údajov katastra nehnuteľností neformálnym spôsobom v katastrálnom území (ďalej len „k. ú.“) **Sklené** tak, že

1. v súbore popisných informácií katastra nehnuteľností (ďalej len „SPI KN“):
  - **ruší zápis kódu pôvodného k. ú. 10 – ROEP** evidovaného pri parcelách registra „E“ katastra nehnuteľností (ďalej len „E-KN“),
  - **zapisuje kód pôvodného k. ú. 1 – Sklené\_BPK** k totožným E-KN parcelám podľa priloženého zrovnávacieho zostavenia parciel E-KN

**Podklady pre opravu:** vektorová mapa určeného operátu (ďalej len „VMUO“) k. ú. Sklené, operát registra obnovennej evidencie pozemkov (ďalej len „ROEP“) k. ú. Sklené, listy vlastníctva (pozri zrovnávacie zostavenie parciel E-KN)

#### Dôvod opravy:

OÚ TR, KO začal v zmysle ustanovenia § 57 katastrálneho zákona prešetrovanie údajov katastra nehnuteľností v k. ú. Sklené a zistil **nesúlady** medzi údajmi evidovanými v SPI KN a údajmi evidovanými v súbore geodetických informácií katastra nehnuteľností (ďalej len „SGI KN“). Konkrétne ide o nesúlad evidencie kódu pôvodného k. ú. pri parcelách E-KN, ktoré sú v SGI KN vo VMUO zobrazené s kódom pôvodného k. ú. **1** a v SPI KN v listoch vlastníctva sú totožné E-KN parcely evidované s kódom pôvodného k. ú. **10 – ROEP**.

#### Prešetrovaním OÚ TR, KO zistil nasledovné:

V k. ú. Sklené bol dňa 20. júna 2003 do katastra nehnuteľností zapísaný ROEP na základe rozhodnutia o schválení ROEP evidovaného v registri “Z” pod číslom 214/2002. Podľa

technickej úrovne dokumentačných materiálov, ktoré tvoria katastrálny operát, je k. ú. Sklené zaradené do zoskupenia II. skupiny c) – *operát pozemkového katastra sa nezjednotil s operátom pozemkovej knihy a údaje v nich uvedené nemožno identifikovať*. V rámci spracovania ROEP bola vyhotovená aj VMUO. Vzhľadom na vyššie uvedené bola podkladom pre spracovanie VMUO v extraviláne použitá pôvodná pozemkovoknižná mapa (archívna) – bývalý pozemkový kataster a v intraviláne právna pozemkovoknižná mapa. Číslovanie parcel právneho pozemkovoknižného stavu bolo ponechané v pôvodnom stave a parcelám pôvodného pozemkovoknižného (archívneho) operátu bolo pridelené predčíslie **1-**, aby sa zabránilo duplicitnému označeniu pôvodných parcel. V písomnej časti ROEP bolo číslovanie parcel E-KN v súlade s grafickou časťou, teda aj do listov vlastníctva boli parcely E-KN (pôvodne archívne) zapísané s predčíslím 1-.

Z nezistených dôvodov sú v súčasnosti v k. ú. Sklené v extraviláne evidované predmetné parcely E-KN v SPI KN s kódom pôvodného k. ú. **10 – ROEP**. Vzhľadom k tomu je v k. ú. Sklené evidovaný zrejmy nesúlad evidencie kódu pôvodného k. ú. OÚ TR, KO z dôvodu zosúladenia údajov evidovaných v SPI KN s SGI KN vykonáva opravu chyby v katastrálnom operáte vyhotovením protokolu o oprave chyby, súčasťou ktorého je zrovnávacie zostavenie parcel E-KN, kde sa pri jednotlivých parcelných číslach mení kód pôvodného katastrálneho územia 10 – ROEP na **1 – Sklené\_BPK**.

V zmysle ustanovenia § 59 ods. 1 katastrálneho zákona konanie o oprave chyby je konanie, v ktorom okresný úrad opravuje chybné údaje katastra, ktoré vznikli jeho vlastnou činnosťou alebo činnosťou iných štátnych orgánov, notárov alebo iných osôb na základe chybných podkladov okresného úradu. Oprava chyby sa vykoná zápisom do katastra na základe rozhodnutia o oprave chyby alebo **protokolu o oprave chyby**.

V zmysle ustanovenia § 59 ods. 1 písm. a) katastrálneho zákona okresný úrad opraví údaje katastra uvedené v § 7, ak sú v rozpore s rozhodnutím o povolení vkladu, verejnou listinou alebo s inou listinou, na základe ktorej bol vykonaný zápis do katastra; to neplatí, ak boli údaje zapísané podľa § 42 ods. 6.

V zmysle ustanovenia § 59 ods. 5 katastrálneho zákona sa na konanie o oprave chyby nevzťahuje zákon NR SR č. 71/1967 Z. z. o správnom konaní (správny poriadok), ak ide o opravu v zmysle ustanovenia § 59 ods. 5 písm. b) údajov katastra, ktoré sú zapísané v liste vlastníctva, a to titulu, mena, priezviska, rodného priezviska, dátumu narodenia, rodného čísla, a ak ide o cudzinca, iného identifikátora, miesta trvalého pobytu, názvu alebo obchodného mena právnickej osoby, sídla právnickej osoby, identifikačného čísla organizácie, titulu nadobudnutia práva k nehnuteľnosti, **bližších identifikačných údajov o nehnuteľnostiach** ustanovených všeobecne záväzným právnym predpisom.
